## The Orwells

Should'a smiled when I saw  
Everyone that did me wrong  
Get a house and waste away  
I'll do anything you say  
Closed mind for one last time  
Flip the pillow 'til I'm fine  
Pull the sheet over my head  
Spend the next four years in bed  
Save my money for a place  
(Maybe another day)  
Time I found another face  
(Maybe another day)  
Find an institution  
(Maybe another day)  
Cash in on confusion  
(Maa-aaaay)  
Want me to be a man  
Put paper in my hand  
Move in to keep you out  
Can't say what that's about
