The Lie

Bad Veins

Early in the morning
When my mind's so far away
I begin to ask questions
Like I do everyday
Like somebody's got to do it
Does it have to be me
If nobody really cares
Is it still a mystery
Driving under morning sun
As busy as I am

Through all the things I try to do
And all the things I can
Sneaking in under radar
I'm driving into you
I'll do all of the things you want
I'll do all of the things you do
Cause sometimes to get by
I believe in the lie
