

Club Montepulciano

Hooverphonic

Fiona said somethin' nice to me
Green velvet jacket sets you free
Lenny Beige is performing, spinning wheel
{Faster than Mr. Designer, so excited that you're here sir}
Club Montepulciano is what you need
Blue Hawaii, Picadilly whore
Cocktail's what I'm longing for
Blue Hawaii, Picadilly whore
Roger fell asleep you know
Fiona said somethin' nice to me
New blue jet suit sets you free
Lenny Beige is performing, spinning wheel
{Picadilly Hawaii's cold, Picadilly Hawaii's cold}
Club Montepulciano is what you need
Blue Hawaii, Picadilly whore
Cocktail's what I'm longing for
Blue Hawaii, Picadilly whore
Roger fell asleep you know
