The Devil in Me

Shakra

Oh baby look at me
I'll be your friend tonite
I'm gonna make you smile
I'll never make you cry
You think I'm full of lies
I'm not that kinda man
'cause' when you're feeling down, down, down
Gonna make you feel alrightWhen you turn your back on me
Gonna live all my fantasies
Better keep an eye on me
Gonna live all my hidden dreamsIt's the devil in me
It's the devil in me
