

# Satan's Fall

## Mercyful Fate

Advisory - the following lyrics contain explicit language:

They're walking by the night  
The moon has frozen blue  
Long black coats a shelter for the rain  
Their load must get through Now bats are leaving their trees  
They're joining the call  
Seven Satanic hell preachers  
Heading for the hall Bringing the blood of a newborn child  
Got to succeed, if not it's Satan's fall Home come home  
Evil messengers with blood stained wings  
Home come home, home come home Is it Satan's fall?  
No it's Satan's call Craniums high on stakes  
It's Satan's epigraph  
Something you can't erase 666  
They call him the beast Use your demon eyes, uncover the disguise  
Time is out yeah, I don't need your god  
Oh, the law of Satan pray and obey it forever  
Oh, the law of Satan innocent lovers it's a lie Iron fists won't do no good against the evil eyes  
Of seven holy hell preachers, don't you even try  
Now they cross the river Styx and see the castle rise so high Waiting on the other shore for Charon to arrive  
A shape with horns and glowing eyes, Satan's still alive  
He receives the sacrifice with evil laughs and pride  
You better escape, you've got to escape you cannot escape
