Glory Defined (Top Ten Edit)

Building 429

There's always a better way
There's always a bridge that needs crossing
There's always the straight and the narrow
The wide and the shallow
But I know that Your guiding me
And the best is yet to come
You've given me hope for tomorrow
And I know somedayI'll wake up to find
Your glory defined
And I will finally bow at Your feet
I will lift up Your name, in honor and praise
When I cross over Jordan, I know that I'll be running home to YouIt's always the simple things
It's always the obvious, that crashes over me
It's always in front of me
It helps me to remember
That this is what I lived for
And I can't waituntil I wake up to find
Your glory defined
And I will finally bow at Your feet
I will lift up Your name, in honor and praise
When I cross over Jordan, I know that I'll be running home to YouThere's never a question in Your message
Never a moment without Your presence
There's never a doubt in my mindThat I'll wake up to find
Your glory defined
And I will finally bow at Your feet
I will lift up Your name, in honor and praise
When I cross over Jordan, I know that I'll be running homeAnd I'll wake up to find
Your glory defined
And I will finally bow at Your feet
I will lift up Your name, in honor and praise
When I cross over Jordan, I know that I'll be running home to YouAnd I'll be running home to You
