

Someday My Prince Will Come

Barbra Streisand

Some day my prince will come
Some day I'll find my love
And how thrilling that moment will be
When the prince of my dreams comes to meHe'll whisper "I love you"
And steal a kiss or two
Though he's far away
I'll find my love some day
Some day when my dreams come trueSome day I'll find my love
Someone to call my own
And I'll know him the moment we meet
For my heart will start skipping a beat
Some day we'll say I do
Things we've been longing to
Though he's far away I'll find my love some day
Some day when my dreams come trueSomewhere waiting for me
There is someone I'm longing to see
Someone I simply can't help but adore
Someone who'll thrill me forever
