Hold On

All That Remains

Don't touch me, I don't wanna feel your skin
I know that you're only gonna hurt me
I hear you, I don't wanna do it again
'Cause we both know, this is not a passage way
Well known, a failure to connect
And to compromise
Right or wrong, it's easy to react
Time to realize
(No more)
And you keep talking but we both know it's not true
I still know that you're wrong
And no matter what we both had to go through
I just can't, I can't hold on
(I can't hold on)
(I can not be stopped this way)
How far we followed in the road before us
Leaves apart
And you keep talking but we both know it's not true
I still know
(I still know)
That you're wrong
(You're wrong)
And no matter what we both had to go through
I just can't, I can't hold on
When you asked if I believed it, I told you
Straight to facts
(Straight to facts)
Made me strong
(Made strong)
But I can't feel a thing than I used to
And I can't, I can't hold on
Come too far
And no matter what we both had to go through
I just can't, I can't hold on
When you asked if I believed it, I told you
Straight to facts
(Straight to facts)
Made me strong
(Made strong)

But I can't feel a thing than I used to
And I can't, I can't hold on
Help is nothing more to take
God will strike his guilty way
We came so far now runs away
Help is nothing more to take
