

# I Adore You (Album Version)

## Darlene Mccoy

This song is never ending chapter of my love for you  
This day is a day that you have crafted of your love to me  
You're of the giver of all hope love and peace  
Let your love always surround me  
I adore you  
I adore you  
Because of who you are My life I lay aside to please you  
You're so wonderful  
What can these fragile hands do for you  
You're so awesome  
You're the giver of all hope love and peace  
(you give me peace, perfect peace)  
Let your love always surround me  
I adore you  
I adore you I love you  
With all my heart  
I love you I really do When I'm on the mountain you are there  
And even in the valley I won't fear  
You're the giver of all hope love and peace  
(you give me peace, perfect peace)  
Let your love always surround me  
I adore you  
I adore you  
It's because of who you are
