

# Beautiful Thing

## Real Life

Something happend,  
Something happens to me.  
Wait a minute,  
Wait a minute and see.  
I am only, Only one in the end.  
Wait a minute  
Here we go again,  
I give up  
I give in  
I give up  
I give in  
It's a beautiful thing,  
It's a beautiful thing.  
When i wake up,  
If i wake up at all  
Can you feel it?  
I can't feel anymore  
I am only  
Only one in the end  
Can you feel it?  
Here we go again.  
I give up  
I give in  
I give up  
I give in  
It's a beautiful thing  
It's a beautiful thing  
\*humming\*  
I give up  
I give in  
...  
It's a beautiful thing  
It's a beautiful thing  
It's a beautiful thing  
It's a beautiful thing
