

One of Everything You Got

Buck Owens & His Buckaroos

My little boy is a barrel of fun
There's nothin' in the world that he ain't done
He wrote ol' Santa Claus a letter today
A makin' sure that it comes his way. I mind my mama and my daddy too
I've done everything that they ought to do
Just so there won't be a mistake
For here's the list of everythin' I'll take. I want some of this and some of that
Some cowboy boots and a cowboy hat
A choo choo train and a baseball bat
A puppy dog and a baby cat.
Bring me a transistor radio
A sting ray bike that'll really go
A police car with a light on the top
Bring me one of everything you got.--- Instrumental ---Santa Claus, I promise you
I won't do things that I oughtn't to
Well, I'm a gotta quit and actin' like a kid
I'm six years old and it's time I did. Last night after he went to bed
Well, I listened then and here's what he said
God bless mama and daddy and me
And God bless Santa on Christmas Eve. I want some of this and some of that
Some cowboy boots and a cowboy hat
A choo choo train and a baseball bat
A puppy dog and a baby cat.
Bring me a transistor radio
A sting ray bike that'll really go
A police car with a light on the top
Bring me one of everything you got. I don't wanna put you in a spot
So bring me one of everything you got...
