Waldo

Tanner Helms

Red hat sweater striped, where's waldo tonight?
At a gig, in his book, bumpin to a waldo hook
And since you found this mp3
You caught me in my abc's
So new I ain't no prototype
Wally snipeMade in Logic 8 this some high end real estate
Just for your ears Waldo engineers his own stuff
Then disappears onto page 3
From the book to the stores to under your christmas trees
Get me
Video game vixen in the Prada shades
Killed all your games
Ace of spades
See Wally gets lots of cheese from Waldo bags
That grow on trees
And if you wanna hear more of what he sounds like
Go to iTunes and get my tight tracksRed hat sweater striped, where's waldo tonight?
At a gig, in his book, bumpin to a waldo hook
And since you found this mp3
You caught me in my abc's
So new I ain't no prototype
Wally snipeSee waldo don't come from a wrapper
His candy comes from a little cracker
And if you don't know what I'm talkin about
I'm fresh
Cause other rappers brag about dough
Brag about cars, brag about girls and the city where they are
Me I wear Diesel me make tracks art easels
Got base bombs comin out my MacBook
Left right, so tight with a good voice too
And I grow a little garden with some flower beds
Inspired by ya'll so take the creds.Red hat sweater striped, where's waldo tonight?
At a gig, in his book, bumpin to a waldo hook
And since you found this mp3
You caught me in my abc's
So new I ain't no prototype
Wally snipeI know the best, I heard the best
Ain't none of them do it like me
Self autotuned and autotanned

I make what i like it's my own brand
Been doin this since twenty-o-three
So it's about time you hear me...
