Again

Charlotte Hatherley

Tell me is it true
What you gives comes back to you?
In these advancing seas
A mighty wave has come for me

Paradise was found
Hidden in the overground
When I fell in love
Aphrodite sang it from above

Change of heart
One more time with feeling everyone yeah
Now every time that I think of you

I think I've done it again oh no
I think I've done it again oh no
I think I've done it again oh no

Easy in your skin
Beautiful in anything
Lucky lucky me
It's the one thing that I'll never be

Steady as you go
Over by the undertow
To the rollin sea
Wave goodbye to what you thought of me

Change of heart
One more time with feeling everyone yeah
Now every time that I think of you

I think I've done it again oh no
I think I've done it again oh no
I think I've done it again oh no
I think I've done it again

Took his heart and you tore it in two
Took his heart and you tore it in two
Took his heart and you tore it in two

Took his heart and you tore it in two
Took his heart and you tore it in two

And then you did it again oh no
I think I've done it again oh no
I think I've done it again oh no
I think I've done it again oh no
Oh no oh no oh no
