

# Falling

## Barkmarket

And the conversation was right  
Underneath the shade of moonlight  
You were standing there  
With sun-touched hair  
And your dress the color white  
Like an aeroplane  
I took flight  
Fell in love with you that first night  
Cause you danced with me  
And I could see that there was more to life  
I'm falling  
I'm falling  
In love with you  
I'm falling  
I'm falling

In love with you-oooh  
Just before the strike of midnight  
You said "This could be the good life"  
And you say "Goodbye, hope that I get to see you soon"  
Then I walked for several miles  
Couldn't rid me of my smile  
Cause you found me and I found you  
In this lovely month of June  
I'm falling  
I'm falling  
In love with you  
I'm falling  
I'm falling  
In love with you
