

# Speak the Word (feat. Teddy Campbell)

## Tina Campbell

Word of God is power  
Sharper than a sword  
It knows the thoughts you're thinking  
And what you're feeling in your heart  
It'll teach you, train you, transform you if you let it in  
It'll cover you and carry you, turn you away from sin  
If you want to be like Jesus, and live like he lived  
You gotta read the Bible and do what he did  
If you're tired of being in the situation you're in  
    Speak the word  
If you're sick in your body and you're ready to be healed  
    Speak the word  
If the way you're thinking has really got to change  
    Speak the word  
Cause the power of life and death isn't what you say  
    The word of God is your weapon  
        Use it to fight and win  
    Speak the word  
Word of God is power  
    Sharper than a sword  
    It knows the thoughts you're thinking  
    And what you're feeling in your heart  
It'll teach you, train you, transform you if you let it in  
It'll cover you and carry you, turn you away from sin  
If you want to be like Jesus, and live like he lived  
You gotta read the Bible and do what he did  
    Speak the word  
    To remind yourself that God gave your authority  
        Speak the word  
    To renew you mind and keep the devil under your feet  
        Speak the word  
To leave the past behind and be who God called you to be  
    Speak the word  
    Cause its alive and it revives everything  
    The word of God is the truth and the light  
        And it'll make you free  
        Speak the word  
        [x2](Speak the word...)  
    Jesus loves you and he saves  
        When you're in Christ  
        You're never the same

Let him change your nature  
Let him make it right  
As you draw closer  
He'll change your life your life  
Don't settle for less you can have it all  
Just get in that book and let Jesus talk  
Let the word fill you, let the word heal you  
Let the word save you, let the word change you  
Cause Jesus died for you and me  
Got up out the grave  
With all authority  
He gives you power when you invite him in  
He'll be your help, your closest friend  
Through Jesus Christ, you can do all things  
You can live your life abundantly  
He gives you hope and a future  
He makes you more than a conquer  
You been redeemed, you are brand new  
His word has perfected everything about you  
So stomp on the devil, crush him under your feet  
You are an overcomer  
You got the victoryYou will not know unless you read  
You will not have unless you speak  
So speak it, believe it, receive it  
Oh, speak...
