Stars Fell on Alabama

Cannonball Adderley

Moonlight and magnolia, starlight in your hair
All the world a dream come true
Did it really happen, was I really there, was I really there with you?We lived our little drama, we kissed in a field of white
And stars fell on Alabama last night
I can't forget the glamor, your eyes held a tender light
And stars fell on Alabama last night
I never planned in my imagination a situation so heavenly
A fairy land where no one else could enter
And in the center just you and me, dear
My heart beat like a hammer, my arms wound around you tight
And stars fell on Alabama last nightWe lived our little drama, we kissed in a field of white
And stars fell on Alabama last night
I can't forget the glamor, your eyes held a tender light
And stars fell on Alabama last night
I never planned in my imagination a situation so heavenly
A fairy land where no one else could enter
And in the center just you and me, dear
My heart beat like a hammer, my arms wound around you tight
