

# You (Delighters & DennY & Gyari Remix Edit)

## Special D.

I used to feel blue  
My hopes became true  
How long have I searched for someone like you No minute goes by  
Just an ocean of you  
I still get down  
And that's really true I used to feel blue  
My hopes became true  
How long have I searched for someone like you No minute goes by  
Just an ocean of you  
I still get down  
And that's really true I used to feel blue  
My hopes became true  
How long have I searched for you  
For someone like you Yeah  
How long have I searched for someone like you  
How long have I searched for you  
For someone like you I used to feel blue  
My hopes became true  
How long have I searched for someone like you No minute goes by  
Just an ocean of you  
I still get down  
And that's really true I used to feel blue  
My hopes became true  
How long have I searched for someone like you No minute goes by  
Just an ocean of you  
I still get down  
And that's really true Yeah  
How long have I searched for you  
For someone like you  
You
