

# Mirror Mirror

## M2m

Mirror, mirror, lie to me  
Show me what I wanna see  
Mirror, mirror, lie to me  
Why don't I like the girl I see?  
The one that's standing right in front of me  
Why don't I think before I speak?  
I should have listened to that voice inside me  
I must be stupid  
Must be crazy  
Must be out of my mind  
To say the kind of things I said last night  
Mirror, mirror, hanging on the wall  
You don't have to tell me  
Who's the biggest fool of all  
Mirror, mirror I wish you could lie to me  
And bring my baby back  
Bring my baby back to me  
Mirror, mirror, lie to me  
Show me what I wanna see, to me  
Mirror, mirror, lie to me  
Show me what I wanna see  
Why did I let you walk away?  
When all I had to do was say I'm sorry  
I let my pride get in the way, the way  
And in the heat of the moment I was to blame  
I must be stupid  
Must be crazy  
Must be out of my mind  
Now in the cold light of the day I realize  
Mirror, mirror, hanging on the wall  
You don't have to tell me  
Who's the biggest fool of all  
Mirror, mirror I wish you could lie to me  
And bring my baby back  
Bring my baby back to me  
If only wishes could be dreams  
And all my dreams could come true  
There would be two of us standing here in front of you  
If you could show me that someone that I used to be

Bring back my baby, my baby, my baby to me  
Mirror, mirror, hanging on the wall  
You don't have to tell me  
Who's the biggest fool of all  
Mirror, mirror I wish you could lie to me  
And bring my baby back  
Bring my baby back  
Mirror, mirror hanging on the wall  
You don't have to tell me  
Who's the biggest fool of all  
Mirror, mirror I wish you could lie to me  
And bring my baby back  
Bring my baby back, baby back, baby back to me  
Mirror, mirror, lie to me  
Show me what I wanna see  
Mirror mirror, lie to me, to me  
Mirror, mirror, lie to me  
Show me what I wanna see  
Mirror mirror, lie to me
