

# Afraid of the Dark

## The Frights

time is the only thing that keeps bringing me down  
because time is the beat of my life and it's all that i've found  
take me down to my grave so i'm laying in dirt  
choking on my own breath while they're changing my shirt

i, i will live in my head  
and she, she will sleep in my bed  
because i, i will walk to the park  
because i, i'm afraid of the dark  
shown in the way that i was or the way that i am  
left to the people that care or the people that can  
dead in my bed and you hear me starting to scream  
her on the side of my room oh what does it mean?

i, i will live in my head  
and she, she will sleep in my bed  
because i, i will walk to the park  
because i, i'm afraid of the dark
