

Ride, Ride, Ride

[Lynn Anderson](#)

If you don't want me baby, if you're not satisfied
If you don't care get on your horse and ride, ride, ride Since you got on your high horse
Those fancy friends you've found
You've had a hard time seeing me
You're always looking down If you don't want me baby, if you're not satisfied
If you don't care get on your horse and ride, ride, ride You talked about me honey
You tried to tear me down
But while you're throwin' dirt at me
You're slowly losing around If you don't want me baby, if you're not satisfied
If you don't care get on your horse and ride, ride, ride If you don't want me baby, if you're not satisfied
If you don't care get on your horse and ride, ride, ride I'll have your second fiddle
Returned to you today
'Cause baby that's one instrument
I've never learned to play If you don't want me baby, if you're not satisfied
If you don't care get on your horse and ride, ride, ride If you don't want me baby, if you're not satisfied
If you don't care get on your horse and ride, ride, ride If you don't want me baby, if you're not satisfied
If you don't care get on your horse and ride, ride, ride And ride, ride, ride
And ride, ride, ride
