Feelin' Is Right

Samantha Mumba

I know you want me but maybe you're shy
You'll never know if you don't even try, it's now or never
You know it all I need is a sign, boy, you know the feelin' is rightOh boy, oh boy, oh boy, you know the feelin' is right, oh boy, oh boyBoy, you gotta help me out, there is something
You should know by now, yeah
I've been watching you, I can see it in your eyes
Tell me that you feel this tooGotta let it go just let it show don't care about what our friends will sayI know you want me but maybe you're shy
You'll never know if you don't even try, it's now or never
You know it all I need is a sign, boy, you know the feelin' is rightOh boy, oh boy, oh boy, you know the feelin' is right, oh boy, oh boy, ohSo here we are standin' face to face again
Oh baby, now, how will this end
Tell me, what more can I do, I can only meet you half a wayTried everything to make you see don't have to be afraid of meI know you want me but maybe you're shy
You'll never know if you don't even try, it's now or never
You know it all I need is a sign, boy, you know the feelin' is rightI know you want me but maybe you're shy
You'll never know if you don't even try, it's now or never
You know it all I need is a sign, boy, you know the feelin' is rightI know you think about it, it's no use to fight it
Show you what I mean
First day I saw you I was been waitin'
For you to show me what you feelI know you want me but maybe you're shy
You'll never know if you don't even try, it's now or never
You know it all I need is a sign, boy, you know the feelin' is rightI know you want me but maybe you're shy
You'll never know if you don't even try, it's now or never
You know it all I need is a sign, boy, you know the feelin' is rightI know you want me but maybe you're shy
You'll never know if you don't even try, it's now or never
You know it all I need is a sign, boy, you know the feelin' is rightOh boy, oh boy
