The Walk

Nikki Leonti

Racing away, all out of breath
Looking above, asking what could be next
Send me a dove, send me a sign
I prayed for peace and I prayed for light
Then out of the blue ya stopped me in my tracks
I took in the moment and didn't look back and stopped running(Chorus)
Then I walked to you
Into forever and I will walk, with you
Now and forever and I'll speak love into your life
The hand that I give will hold on when there's darkened skies
We will walk, it through
And this is my promise to youSaying the words, is easy for me
When I see future, your face is all I see
The sun reminds me our day is here
And the peace that I feel, it tells me I'm ready
And into the blue I will follow the tracks
But now in this moment we never look back and start running(ChorusWhen our bodies grow weak, our love will grow stronger every time
Let us never forget the better and the worse times to divine(Chorus)
