

Where I Belong

Dub Fx

i feel the fire in my soul
it's burning deep out of control
i stare and watch these embers glow
 without your love i feel alone
the world is cold but I'll stay strong
I hear the rain come pouring down
 i see the wind is blowing round
 i feel the drum beat in my heart
 i see your face up in the stars
 now i see where i belong
 i feel the fire in my soul
 it's burning deep out of control
i stare and watch these embers glow
 without your love i feel alone
the world is cold but I'll stay strong
 now i see where i belong
I hear the rain come pouring down
 i see the wind is blowing round
 i feel the drum beat in my heart
 i see your face up in the stars
 now i see where i belong
