

# Necessary Evil

## Body Count

Look outside my window,  
I still see a fucked up world  
Waking up to helicopter and car alarms,  
Does this happen where you live?  
Gunshots sound in my my mind  
I don't flinch anymore  
When I see niggas in my hood,  
They're holdin' their dicks tight Yo, fuck my landlord  
I'm a step away from clearing this shotgun  
To erase the problem  
Does this happen where you live?  
Just had steak and lobster last night  
Now I gotta rob a liquor store  
But it seems so normal  
Because it's necessary evil [Chorus] Car hit my dog, babies die, raped in a  
Stairwell, cop killed a little girl,  
Armed robbery, shooter of a drive-by,  
Smokin' cain, sellin' joints in jr High  
Head from a minor, sex with animals,  
Butthole surfers, a fucked up rehearsal,  
Lost pawn ticket, wrecked my father's car  
Can't pay my school loan, major jack move,  
Holy underwear  
Stuck in the pen, forced in a gang, plain  
Wrapped food,  
Fucked up presidents, sleepin' through trash day  
Hit a police car, gettin' laid off, gotta pay  
Taxes, gridlock traffic,  
Jealous muthafuckas, bitch tried to do me,  
Hit and run,  
I got a fat bitch pregnant Necessary evil Little white kid with a cool-aid smile  
Training wheels on his bike thought the  
Called me a nigga  
Pushed that little bastard in traffic so graphic,  
He was holdin' his bike tight  
He was a victim of fucked up explaining  
An american example of fucked training  
When the fuckin' bus connected, he flew like knievel

I was just necessary evil[Chorus]Necessary evil
