

# Necromania

## Midnight

Infernal noise pure hell falls from the sky  
White cross will be deniedNecromaniaCall of storms the wind and rage  
Rite of dark possessed by chainsNecromaniaMystify cursed Christ delloration  
Retriburion of suffocationNecromaniaBarriers of sound and stone vengeance is mine  
Armageddon wars force the signNecromaniaCall of storms wind and rage  
Black death possessed in chains  
Necromania
