Marry Me

ELLEGARDEN

Somewhere closer I can hear the wedding bell
It's a fine day I am wearing a blue shirts like the sky
I am standing in the line while holding confetti
I see the girl of my dream is shining like the sun beside himWon't you marry me If I could be a rich boy
Won't you marry me If I could be very handsome
Won't you marry me If I could be a tall guy
Don't you marry him if I could be in the next lifeYou're an idol in high school He was a quarter back
He has sold me a photocopy of your photograph
I am standing in the line while holding confetti
I see the girl of my dream is shining like the sun beside himWon't you marry me If I could be a rich boy
Won't you marry me If I could be very handsome
Won't you marry me If I could be a tall guy
Don't you marry him if I could be in the next lifeMaybe not She don't remember me
Maybe not She don't know how I fell
Maybe not She don't even know my last nameWon't you marry me If I could be a rich boy
Won't you marry me If I could be very handsome
Won't you marry me If I could be a tall guy
Don't you marry him
He's just another stupid in the next life
