

# Hush Hush

[Etta James](#)

Hush hush  
Baby dont believe a word  
Hush hush  
Baby dont believe a word  
Word dont know nothin but believe everything you heard  
Hush hush  
Just yackety yack all the time  
Hush hush  
Yackety yack all the time  
If you dont stop yackin youre gonna make me outta my mindHush hush  
Baby can ya hear a word ya say?  
Hush hush  
I didnt hear a word you said  
If you dont stop talkin Im gonna leave and Im gonna be mighty fraid  
Hush hush  
Hush hush  
Hush hush  
Hush hush  
Hush hush baby I dont believe a word you said  
Hush hush  
Just yackety yack all the time  
Hush hush  
And yackety yack all the time  
If you dont stop yackin your gonna drive me out of my mind
