

Guns And Horses

Goulding Ellie

You're so quiet
But it doesn't faze me
You're on time
You move so fast makes me feel lazy
Let's join forces
We've got our guns and horses
I know you've been burned
But every fire is a lesson learned

I left my house
Left my clothes
Door wide open, heaven knows
You're so worth it
You are

But I wish I could feel it all for you
I wish I could be it all for you
If I could erase the pain
Then maybe you'd feel the same
I'd do it all for you, I would
I would, I would, I would

Let's type words
'Cause they amount to nothing
Play it down
Pretend you can't take what you found
But you found me
On a screen you sit at permanently

I left my house
Left my clothes
Door wide open
Heaven knows
You're so worth it, you are

But I wish I could feel it all for you
I wish I could be it all for you
If I could erase the pain
Then maybe you'd feel the same
I'd do it all for you, I would

I would, I would, I would

It's time to come clean,
And make sense of everything
It's time that we found out who we are
'Cause when I'm standing here in the dark
I see your face in every star

But I wish I could feel it all for you
I wish I could be it all for you
If I could erase the pain
The maybe you'd feel the same
I'd do it all for you, I would
I would, I would, I would

I'd do it all for you
I'd do it all for you
I'd do it all for you
I'd do it all for you
I'd do it all for you
I'd do it all for you
I'd do it all for you
I'd do it all for you
