

# You're the One (Blood Orange Remix)

Charli XCX

Dancing  
In the darkness  
Pink and lilac  
Keep the silenceCrystals  
On the skyline  
Cut the midnight  
Ultra violetYou're the one who can make me stay  
You're the only one who makes me feel this way  
You're the one who's been stealing stars  
Your golden arrow went through my heart  
You're the one who can turn the page  
You're the one who came along and unlocked the cage  
Now I'm  
Dancing in the darkFlying  
Through the black night  
You're the angel  
In the moonlightRunning  
Through the thunder  
Undercover  
Silver loverYou're the one who can make me stay  
You're the only one who makes me feel this way  
You're the one who's been stealing stars  
Your golden arrow went through my heart  
You're the one who can turn the page  
You're the one who came along and unlocked the cage  
Now I'm  
Dancing in the darkYou're the one who can make me stay  
You're the only one who makes me feel this way  
You're the one who's been stealing stars  
Your golden arrow went through my heart  
You're the one who can turn the page  
You're the one who came along and unlocked the cage  
Now I'm  
Dancing in the darkYou're the one who can make me stay  
You're the only one who makes me feel this way  
You're the one who's been stealing stars  
Your golden arrow went through my heart  
You're the one who can turn the page  
You're the one who came along and unlocked the cage

Now I'm  
Dancing in the dark Yeah I'm dancing in the darkness  
Three years before, I was feeling so heartless  
But your burn shined through  
Now I'm drinking love potion when I lay next to you It's a criminal feeling  
Happiness cries when the tears are dreaming  
My body is screaming  
I'm staying right here no I'll never be leaving
