

Undercover Martyn (Whatever Whatever Remix)

Two Door Cinema Club

And she spoke words
That would melt in your hands
And she spoke words of wisdom To the basement people, to the basement
Many surprises await you
In the basement people, in the basement You hid there last time, you know we're gonna find you
Sick in the cars 'cause you're not up to going
Out on the main streets, completing your mission You hid there last time, you know we're gonna find you
Sick in the cars 'cause you're not up to going
Out on the main streets, completing your mission And she spoke words
That would melt in your hands
And she spoke words of wisdom To the basement people, to the basement
Many surprises await you
In the basement people, in the basement You hid there last time, you know we're gonna find you
Sick in the cars 'cause you're not up to going
Out on the main streets, completing your mission You hid there last time, you know we're gonna find you
Sick in the cars 'cause you're not up to going
Out on the main streets, completing your mission You hid there last time, you know we're gonna find you
Sick in the cars 'cause you're not up to going
Out on the main streets, completing your mission You hid there last time, you know we're gonna find you
Sick in the cars 'cause you're not up to going
Out on the main streets, completing your mission
