

Fall Back

Tub Ring

We're So Impressed With The Choices You Make
It Took Less Than Twenty Hours To Admit The Mistake
The Less Said About The Sink, The Better, So Complicated
When Self Expression Is No Longer The Case
You've Got A Taut Defense Bewildered Look On Your Face

It's Kind Of Funny Who It Brings TogetherAnd The Poets, Majestic, The Sweaters All Sing
Tell You When You Should Worry About Me
It's Not The Sarcasm, But The ApathyAnd At Times Like This I Say
Never Were One To Fake It

About The Cool Subtlety You Lack
While Avoiding The Other I'll Have To Duck And Cover

From The Place That You Fall Back, Fall Back NowThere Was A Place In The Back Of Her Head
That Distributed Logic But The Synapse Was Dead
And It's Amazing How She Lived Without It, So OVERRATED
When It Was Over And I Finally Got Sleep

There Was An Inconsistent Lapse In The Records I Keep

And So I Hardly Ever Talk About ItAnd The Poets, Majestic, The Sweaters All Sing
And The Sadness, The Longing, The Glasses All Sing
Tell You When You Should Worry About Me

It's Not The Sarcasm, But The ApathyAnd At Times Like This I Say
Never Were One To Fake It
About The Cool Subtlety You Lack

While Avoiding The Other I'll Have To Duck And Cover

From The Place That You Fall Back, Fall Back NowSo Fall Back, Back, Back On The Things That You Do
There Are A Hundred More Ways To Justify You

Fall Back, Back, Back As You Fall Through The Cracks

And Now We'll Help You Along While Ignoring The FactsFall Back, Fall Back Upon The Things That You Say
You Know Excuses Are Meaningless Anyway
So Fall Back, Back, Back And We'll Pick Up The Slack
Still Not Ahead Of The Game, But I'm On The Right Track
So Fall Back
