

You Are Holy

Planetshakers

Here I stand my life Before You
Can't believe the price you paid
Gave it all just for me I lay my life upon the alter
Take me now
I place my life in your hands King Of Heaven
You're my saviour
You left Your place of glory
Giving your life just for me How could i ever repay you
You came into my life lord
You set me free Everything i am i give to you
You are Holy Holy
Take my life and everything i do
You are Holy Holy King Of Heaven
You're my saviour
You left Your place of glory
Giving your life just for me How could i ever repay you
You came into my life lord
You set me free You are Holy
Give You Glory
