Big Country Bluegrass - One More Time Let Me Tell You (About Jesus)

Key of: G • G C D INTRO:

G C G

You could-a heard a pin drop, in that big ole™ church that morn™,

G D

When the ta™tered ole™ man, left his seat,

G C G

No one knew™ who he was, or where, he came from,

G D G

He just, wandered in, off the street,

G C G

He showed up in this suited church, in worn out, over all™s,

G D

The old shoes he wore, had seen, better days,

G C G

But it didn™t seem to bother him, when every, body starred,

G D G

He just smiled and said, I™ve something to say,

CHORUS:

-----G C

One more time â€“ let me tell you â€“ about Jesus,

-----G D

And how He died, to save us, from our sin,

-----G C

One more time, please let, - me remind you,

-----G D G

â€“Cause like He said â€“ in His word, He™s coming back again,

BANJO: G --- D --- G

G C G

Now there™s very few of you, who can remember, long ago,

G D

A young preacher, your board asked, to leave,

G C G

Because, he, preached, the ole™ gospel, plain and true,

G D G

And there were many here, it didn't seem to please,

G C G

I spent sixty years preachin', under the bridge, where the homeless stay,

G D

To the outcast, glad to hear, the good news,

G C G

But this morning God directed, a path back to your church,

G D G

One more time, before my life is through,

CHORUS: 2

-----G G7th C

One more time " let me tell you " about Jesus,

-----G D

And the love, He has, for fallen man,

-----G G7th C

One more time, please let, me remind you,

-----G D G

That I can leave, this ole world, with no blood, on my hands,

G " D " G
