

# End Of The Day (Silence)

## Blue Foundation

Silence  
Stretching out between us  
I dream of a presence  
With essence  
And absence of doubt Come closer  
Come and stay with me now  
Help me reconcile  
Come and stay a while And I will find a home  
Because we love till the end  
We love till the end of the day  
Of the day Distant  
Shifty-eyed and restless  
I dream of a presence  
With essence  
And absence of doubt Come closer  
Come and stay with me now  
Help me reconcile  
Come and stay a while And I will find a home  
Because we love till the end  
We love till the end of the day  
Of the day
