

# What About Us

## Brandy

Whoo!  
Yeah, darkchild  
B, Rock let's go Why don't you return my calls  
Why you trip 'bout where I be  
You don't ever come to see me  
You say that you're too busy What the hell, I don't have time  
Why you messing with my mind  
I can find another guy  
Someone who will treat me right I don't need this bull  
I won't put up with it, any longer  
You can, go if you want  
I don't need you pity  
I will be just fine  
If you decide that you want to leave  
Close the door behind you  
I just want to know what [Chorus]  
What about all of the  
Things that you say  
What about all of the  
Promises that you made  
What about all of the  
Eyes that you gave  
What about all of the  
Things you told me  
What about all of the  
Things that you say  
What about all of the  
Promises that you made  
What about all of the  
Eyes that you gave  
What about, what about  
What about us, what about us  
What about us, what about us Thought you said you were different  
Was that what I heard you say  
Said that you loved only me  
Thought that you'd be all I need  
What happened to promises  
Said that you were a better man  
Your words have no weight with me

Cause you're counterfeit I see I don't need this bull  
I won't put up with it, any longer  
You can, go if you want  
I don't need you pity  
I will be just fine  
If you decide that you want to leave  
Close the door behind you  
I just want to know what [Chorus] Baby check it out hear this  
Now what if I said that you  
Wasn't fit to be with  
Now what if I told you the game  
We played, I picked it  
Now what if I said I wasn't true  
So do you  
You and I know without me  
There's no you Now what about the bills that were past due  
Paid for you, and all you said to me is Baby I owe you  
Forget about the brand new life  
That I gave you  
Don't what about us to me  
Cause we are through  
[Chorus: x2]
