And before we, got to hit the lights
And before we start the candlelight
Baby girl I want to bump and grind
This is something that is on my mindSo anxious so meet me at eleven-thirty
I love the way your talkin' dirty said I'm
So anxious girl could you quit this stallin'
You know I'm a sexaholic said I'mSo anxious so meet me at eleven-thirty
I love the way your talkin' dirty said I'm
