

# Piece of Cake

## Burning Heads

from a lost room i write to you  
hoping i could break through  
i'd like to find a piece of you  
in this place coz i miss you sometimes i smell your perfume  
i feel your touch so i run to you  
well i dream awake. i dream awake when all these people get tired of telling me  
what's good or bad for me  
i'll tell them what i need  
some say you should be legal  
just like alcohol  
some say i'm abnormal  
(but) that's my right my piece of cake should be legalized now
