Intro: (news snippets)

"Let me now turn, to our program for the future..."

"The economy right now, is extremely supportive of the president and his policies"

"FBI scientists have found chemical traces, consistent with a bomb or a missile, on a piece of wreckage..."

"Police using clubs and tear gas against demonstrators..."

"They called me a mother -(bleeped out)-ing so-and-so...and a white facist...like they said, 'you're getting some of your own medicine'..." Singing:

Telling lies, to our children

Telling lies, to our children

Telling lies, to our babies

Only truth, can take us...Verse 1:

You can't fool all the people all of the time

But if you fool the right ones, then the rest will fall behind

Tell me who's got control of your mind? your world view?

Is it the news or the movie you're taking your girl to? (uh)

Know what i'm sayin cause Uncle Sam got a plan

If you examine what they tellin us then you will understand

What they plantin in the seeds of the next generation

Feeding our children miseducation

No one knows if there's UFO's or any life on mars

Or what they do when they up in the stars

Because i don't believe a word of what the president said

He filling our head with lies got us hypnotised

When he be speaking in cold words about crime and poverty

Drugs, welfare, prisons, guns and robbery

It really means us, there's no excuse for the slander

But what's good for the goose, is still good for the gander

See...Chorus:

I don't believe Bob Marley died from cancer

31 years ago i woulda been a panther

They killed Huey cause they knew he had the answer

The views that you see in the news is propaganda Singing:

Telling lies, to our children

Telling lies, to our children

Telling lies, to our babies

Only truth, can take us...Verse 2:

I don't want no computer chip in my arm

I don't want to die by a nuclear bomb  
I say we all rush the pentagon, pull out guns  
And grab the intercom, my first word's will be I believe  
Man made God, outta ignorance and fear  
If God made man, then why the hell would he put us here?  
I thought he's supposed to be the all loving  
The same God who let Hitler put the Jews in the oven  
We don't fall for the regular shit, they try to feed us  
All this half-ass leadership, flippin position  
They turn politician and shut the hell up and follow tradition  
For your TV screen, is telling lies to your vision  
Every channel got some brainwashed cop shit to watch  
Running up in niggas cribs claiming that they heard shots  
It's a plot, but busta can you tell me who's greedier?  
Big corporations, the pigs or the media?  
Sign of the times, terrorism on the rise  
Commercial airplanes, falling out the sky like flies  
Make me wonder what secrets went down with Bob Brown (?)  
Who burnt churches to the ground with no evidence found?  
It's not coincidence, it's been too many studied incidents  
It coulda been the Klan who put that bomb at the Olympics  
But it probably was the FBI, deep at the call  
'cause if they make us all panic then they can start martial law  
Chorus:  
I don't believe Bob Marley died from cancer  
31 years ago i woulda been a panther  
They killed Huey cause they knew he had the answer  
The views that you see in the news is propaganda

"uh, we view each other uh, with uh, a great love and a great understanding  
and that we  
try to expand this to the general, uh, black population and also people,  
oppressed people all over the world, and, i think that uh, we differ from  
uhmm... uh, some other groups simply because we understand the system better  
than uh, most uh, groups understand the system, and uh, with this  
realisation, uh, we attempt to form a strong political base based in the  
community with the only strength that we have and that's the strength of uh,  
a potentially destructive force if we don't get freedom."
