Magnify Him, magnify Him
Make Him great in this place
Magnify Him, magnify Him
Make Him great in this place
Magnify Him, magnify Him
Make Him great in this place
Magnify Him, magnify Him
Make Him great in this place
He?s greater than your promise
He?s greater than your pain
He?s greater, greater than anything
Magnify Him, magnify Him
Make Him great in this place
Magnify Him, magnify Him
Make Him great in this place
Magnify Him, magnify Him
Make Him great in this place
Magnify Him, magnify Him
Make Him great in this place

He?s greater than your promise
He?s greater than your pain
He?s greater, greater than anything, anything
Magnify Him, magnify Him
Make Him great in this place
Magnify Him, magnify Him
Make Him great in this place
Great is power, great is grace
We magnify you Lord with your grace
Nobody?s greater, nobody?s greater
We magnify you Lord with your grace
We serve a great God, we magnify you Lord with your grace
So great, so great
Nobody greater, nobody greater
Nobody greater, nobody greater
