

# When the World Was at War We Kept Dancing

## Lana Del Rey

Girls, don't forget your pearls  
And all of your horses  
As you make your way across the pond  
Girls, don't forget your curls  
And all of your corsets  
Memorize them in a little song  
Shake it up, throw your hands up and get loose  
Cut a rug, lean into the fuckin' youth  
Choreo, we just want the fuckin' truth  
(Told by the frightened)  
Is it the end of an era?  
Is it the end of America?  
Is it the end of an era?  
Is it the end of America?  
No, it's only the beginnin'  
If we hold on to hope, we'll have a happy endin'  
When the world was at war before  
We just kept dancin'  
When the world was at war before  
We just kept dancin'  
Boys, don't forget your toys  
And take all of your money  
If you find you're in a foreign land  
Boys, don't make too much noise  
And don't try to be funny  
Other people may not understand  
Shake it up, throw your hands up and get loose  
Cut a rug, lean into the fuckin' youth  
Choreo, we just want the fuckin' truth  
(Told by the frightened)  
Is it the end of an era?  
Is it the end of America?  
Is it the end of an era?  
Is it the end of America?  
No, it's only the beginning  
If we hold on to hope, we'll have a happy endin'  
When the world was at war before  
We just kept dancin'  
When the world was at war before  
We just kept dancin'  
And we'll do it again  
Oh my god, did it from lovin' you  
From do it again

Oh my god, did it from lovin' you  
We'll do it again  
Did it from, did it from lovin' you  
We'll do it again  
When the world was at war Is it the end of an era?  
Is it the end of America?  
Is it the end of an era?  
Is it the end of America?  
When the world was at war before  
We just kept dancin'  
When the world was at war before  
We just kept dancin' And we'll do it again  
And we'll do it again
