Excited (feat. Travis Atreo)

AFTRHOURS

Verse 1
Car windows black no one is seeing in
and baby you got me so high, you got me so high
the smoke is rising and I'm feeling it, and baby you want this tonight, you want this tonight
you ooh oooh ooh oooh, I don't mind if, if you need your space, need your space
you ooh oooh ooh oooh, when time starts flying, don't let this go, go to waste
Pre Chorus
tell me if I'm going too far, tell me if I'm going too far, do you like this
cause I can see the love in the dark, yeah I can feel the beat in your heart, you like this
tell me if I'm going too far, tell me if I'm going too far, do you like this
cause I can see the love in the dark, yeah I can feel the beat in your heart
Chorus
when you get excited, yeah eh, yeah eh eh, yeah eh eh
when you get excited, yeah eh, yeah eh eh, yeah eh eh
Verse 2
I'm so addicted to your innocence and baby you got me so high, you got me so high
my bodies covered in your fingerprints and you can do just what you like, do just what you like
you ooh oooh ooh oooh, I don't mind if, if you need your space, need your space
you ooh oooh ooh oooh, when time starts flying, don't let this go, go to wastePre Chorus
tell me if I'm going too far, tell me if I'm going too far, do you like this
cause I can see the love in the dark, yeah I can feel the beat in your heart, you like this
tell me if I'm going too far, tell me if I'm going too far, do you like this
cause I can see the love in the dark, yeah I can feel the beat in your heartChorus
when you get excited, yeah eh, yeah eh eh, yeah eh eh
when you get excited, yeah eh, yeah eh eh, yeah eh eh
Bridge
I've decided, this is no mistake, no mistake
so let's try being quiet
we both know, there's no wayPre Chorus
tell me if I'm going too far, tell me if I'm going too far, do you like this
cause I can see the love in the dark, yeah I can feel the beat in your heart, you like this
tell me if I'm going too far, tell me if I'm going too far, do you like this
cause I can see the love in the dark, yeah I can feel the beat in your heart
