

# Excited (feat. Travis Atreo)

## AFTRHOURS

### Verse 1

Car windows black no one is seeing in  
and baby you got me so high, you got me so high  
the smoke is rising and I'm feeling it, and baby you want this tonight, you want this tonight  
you ooh ooh ooh ooh, I don't mind if, if you need your space, need your space  
you ooh ooh ooh ooh, when time starts flying, don't let this go, go to waste

### Pre Chorus

tell me if I'm going too far, tell me if I'm going too far, do you like this  
cause I can see the love in the dark, yeah I can feel the beat in your heart, you like this  
tell me if I'm going too far, tell me if I'm going too far, do you like this  
cause I can see the love in the dark, yeah I can feel the beat in your heart

### Chorus

when you get excited, yeah eh, yeah eh eh, yeah eh eh  
when you get excited, yeah eh, yeah eh eh, yeah eh eh

### Verse 2

I'm so addicted to your innocence and baby you got me so high, you got me so high  
my bodies covered in your fingerprints and you can do just what you like, do just what you like  
you ooh ooh ooh ooh, I don't mind if, if you need your space, need your space  
you ooh ooh ooh ooh, when time starts flying, don't let this go, go to waste

tell me if I'm going too far, tell me if I'm going too far, do you like this  
cause I can see the love in the dark, yeah I can feel the beat in your heart, you like this  
tell me if I'm going too far, tell me if I'm going too far, do you like this  
cause I can see the love in the dark, yeah I can feel the beat in your heart

when you get excited, yeah eh, yeah eh eh, yeah eh eh  
when you get excited, yeah eh, yeah eh eh, yeah eh eh

### Bridge

I've decided, this is no mistake, no mistake  
so let's try being quiet

we both know, there's no way

tell me if I'm going too far, tell me if I'm going too far, do you like this  
cause I can see the love in the dark, yeah I can feel the beat in your heart, you like this  
tell me if I'm going too far, tell me if I'm going too far, do you like this  
cause I can see the love in the dark, yeah I can feel the beat in your heart
