SUPERSPY

SEPHORAè„³ãƒ•ã‚¤ãƒ–ã‚¹

Just the other day
I was walking by myself
Little kids at play
Old man talking to himselfI went inside to get a drink
Sat down by the door to think
Out of the corner of my eye
Caught a glimpse of the superspy
When he saw me look his way
He jumped down that alley wayThen I saw that man
In his black suit and Cadillac
Suckin' on a lollipopNext night I went on a date
Runnin' to the movies late
I recognize that coat and hat
Puffin' on a cigaretteCruisin' my house
Buggin' my phone
When will I be left alone?Why's he followin' me?
Everywhere I go
Superspy blowAnd then I saw that man
In his black suit and Cadillac
Why's he following me?
Everywhere I go, superspy
Superspy, I see, I see, I see
