Only For You

Daily Planet

been a while since I felt this way about someone,
I'd really really like to know you, more,
oh oh, know you, more
oh, your eyes, they sing a song to me,
I'd really really like to go to it, oh, go, oh
and I will oh, open my heart
and I will oh, only for you
all your lies are spinning round my head
and all, all this line of sorrow, ooh, yeah ooooh, yeah
all your lies are spinning round my head
and all, all this line of sorrow, ooh, yeah ooooh

and I will, I I ohh, ohh
and I will, oh, only for you
and I just don't know what to do, my head has such a cloudy view,
I'm so tired, of trying, ooh ooh ooh
and I just don't know what to do, my head has such a cloudy view,
I'm so tired, of trying, ooh ooh ooh
all your lies are spinning round my head
and all, all this line of sorrow, ooh, yeah ooooh ooh, yeah
all your lies are spinning round my head
and all, all this line of sorrow, ooh, yeah ooooh, ooh
and I will open my heart
and I will oh, only for you
