

# Blues Before Sunrise

Leroy Carr

I have the blues before sunrise  
Tears standing in my eyes  
I have the blues before sunrise  
Tears standing in my eyes  
It was a miserable feeling now, babe  
A feeling I do despise

I have to leave, leave you, baby  
Because you know you done me wrong  
I have to leave you, baby  
Because you know you done me wrong  
I'm gonna pack up and leave you, darling  
And break up my happy home

I'm gonna leave you, baby  
I'm gonna leave you all alone  
I'm gonna leave you, baby  
I'm gonna leave you all alone  
I'm gonna pack up and leave you, darling  
Because you know you done me wrong

Well, now goodbye, goodbye, baby  
I'll see you on some rainy day  
Well, now goodbye, baby  
I'll see you on some rainy day  
You can go ahead now, little darling  
'Cause I want you to have your way
