

Blues Before Sunrise

Leroy Carr

I have the blues before sunrise
Tears standing in my eyes
I have the blues before sunrise
Tears standing in my eyes
It was a miserable feeling now, babe
A feeling I do despise

I have to leave, leave you, baby
Because you know you done me wrong
I have to leave you, baby
Because you know you done me wrong
I'm gonna pack up and leave you, darling
And break up my happy home

I'm gonna leave you, baby
I'm gonna leave you all alone
I'm gonna leave you, baby
I'm gonna leave you all alone
I'm gonna pack up and leave you, darling
Because you know you done me wrong

Well, now goodbye, goodbye, baby
I'll see you on some rainy day
Well, now goodbye, baby
I'll see you on some rainy day
You can go ahead now, little darling
'Cause I want you to have your way
