

Each Other

[Kem](#)

I'm talking to You, it's Your son
Father, I can't believe all the things
We have done to each otherThe problem I find, in all my years
The danger is high though Your love is near
So what can be done to heal each otherI hold my head up high to ease the pain
But quite frankly Lord, I don't know how much more
This world can take, yes we need more love for each otherLord it's me, it's Your son
Trying to take a stand for peace, like Your other one
Send us Your love, 'cause we need each other
We need, we truly need each other
