

I Know What I Am (Album Version)

Band of Skulls

Hi ho, tripper's out cold
I've got a feeling like a tired old flow
I know what I am, they know what they are
So let me be Gasoline, saccharinne
I've got no reason for the state I'm in
But I know what I am, they know what they are
So let me be Hotel, Taco Bell
I got the hit but you know damned well
But I know what I am, they know what they are
So let me be Cut teeth, bet a belief
I've got a feeling that I'm underneath
But I know what I am, they know what they are
So let me be But it's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay! Flick flack, no slack
I've got the wit that my enemies lack
But I know what I am, they know what they are
So let me be Trick some, just begun
I'm givin' you more when you only want one
But I know what I am, they know what they are
So let me be Hot sweat, got debt
Keep your licker in the locker 'cos you don't know yet
But I know what I am, they know what they are
So let me be Ship shape, ticker tape
Looks to me like a narrow escape
But I know what I am, they know what they are
So let me be But it's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay
I got the time but the time don't pay
It's alright, it's okay! I know what I am, they know what they are
So let me be
I know what I am!

I know what I am, they know what they are
So let me be
I know what I am!
I know what I am, they know what they are
So let me be
I know what I am!
I know what I am, they know what they are
So let me be
I know what I am, they know what they are
So let me be
I know what I am, they know what they are
So let me be
I know what I am, they know what they are
So let me be!
