

# Sneaky

Dylan C

Ooh, B2K, yeah, it's Lil' Fizz  
With my cousin tonight, yeah  
This is incredible right here  
T.U.G, yeah  
Sneaky when your with me  
Freaky, oh, I can't believe it  
How you got me, where you got me  
I don't know  
Keep sneakin', creepin'  
I'll be beepin'  
While you're thinkin'  
That your sneakin' on the low  
I ain't gonna trip or act a fool  
When you get home late at night  
'Cause it ain't no reason for me to blow my cool  
As long as you make it there alright  
But the ladies keep staring  
Boi you know I ain't caring  
And it don't make a difference to me  
If you want to be sneaky I'll be sneaky too  
'Cause I ain't the type that's going to be  
Chasing after you, your so  
Sneaky when your with me  
Freaky, oh, I can't believe it  
How you got me, where you got me  
I don't know  
Keep sneakin', creepin'  
I'll be beepin'  
While you're thinkin'  
That your sneakin' on the low  
Sneaky when your with me  
Freaky, oh, I can't believe it  
How you got me, where you got me  
I don't know  
Keep sneakin', creepin'  
I'll be beepin'  
While you're thinkin'  
That your sneakin' on the low  
Won't be all up in your face

Like them other girl may do  
Don't even really care what others say  
As long as you can come and chill with your boo  
You can keep on flirtin'  
And I know one thing for certain  
That you'll be coming back to me  
When it's all said and done  
I know I'll be number one  
But until then keep on creepin'  
Having fun, your so  
Sneaky when your with me  
Freaky, oh, I can't believe it  
How you got me, where you got me  
I don't know  
Keep sneakin', creepin'  
I'll be beepin'  
While you're thinkin'  
That your sneakin' on the low  
Sneaky when your with me  
Freaky, oh, I can't believe it  
How you got me, where you got me  
I don't know  
Keep sneakin', creepin'  
I'll be beepin'  
While you're thinkin'  
That your sneakin' on the low  
Boi you think you so slick  
And I'm loving every bit of it  
Don't really matter much to me  
You can do what you please  
Keep it moving, I see what you doing  
Don't change your personality  
You can be who you wanna be  
It's you and me  
Well, no need for an introduction  
It's your 10 o'clock breaking news interruption  
Lil' Fizz has girl hearts hard pumpin'  
Thats right, it's crazy how I keep these hearts bumpin'  
In a game a year  
And already a commodity  
No space in my bed  
Waiting for trouble follow me  
I'm just  
To hot to touch, to hot to hold  
Still tryin' to sneaky shorty

Behind the bundle load  
Sneaky when your with me  
Freaky, oh, I can't believe it  
How you got me, where you got me  
I don't know  
Keep sneakin', creepin'  
I'll be beepin'  
While you're thinkin'  
That your sneakin' on the low  
Sneaky when your with me  
Freaky, oh, I can't believe it  
How you got me, where you got me  
I don't know  
Keep sneakin', creepin'  
I'll be beepin'  
While you're thinkin'  
That your sneakin' on the low  
Sneaky when your with me  
Freaky, oh, I can't believe it  
How you got me, where you got me  
I don't know  
Keep sneakin', creepin'  
I'll be beepin'  
While you're thinkin'  
That your sneakin' on the low  
Why you think that your sneaking  
Why you think that your creeping  
Why you think that your sneaking
