Handful

Kelis

Hey you ain't ready for me
Ain't ready for me, oh no, oh noHey you ain't ready for me
Ain't ready for me, oh no, oh noI'm known around the block
To keep my weight up like the big guys
Know how to throw my weight like the big guys
I know I want too much, I got big eyes

So I seek how to get it with these big eyesCatch me flossin' with my working pumps on

Work em dress, work em lipstick on

Your spoon ain't ready for this honeycomb

If you a handful sing alongBa, ba, ba

I'm a handful

Ba, ba, baHear me beating down the block in my grey Porsche Cayenne

Gotta be hot red like Cayenne

See them dudes hittin' switches in them low lows

I know how to hit them switches in them low lows You might see me with a 3 piece on

Pin stripe, holla fitted cap on

You ain't ready for this honeycomb

If you a handful sing alongNa na, na boo boo

Is it overwhelming?

Can't stand the drama

Just can't help itNa na, na boo boo

If you having problems

This how you solve em

Tell em you a handful(Ba, ba, ba)

Hey you ain't ready for me

Ain't ready for me, oh no

I'm a handful(Ba, ba, ba)

Hey you ain't ready for me

Ain't ready for me, oh no, oh noNa na, na boo boo

Is it overwhelming?

Can't stand the drama

Just can't help itNa na, na boo boo

If you having problems

This how you solve em

Tell em' you a handfulBa, ba, ba

I'm a handful

Ba, ba, ba(Ba, ba, ba)

Hey you ain't ready for me

Ain't ready for me, oh no

I'm a handful(Ba, ba, ba)
Hey you ain't ready for me
Ain't ready for me, oh no, oh no
